

REGIONAL PROCUREMENT HUB PROGRAM – REGION 12
SUPPLEMENTAL BID BULLETIN NO. 01
FOR PB-ITB-R12-3-2026
PROCUREMENT OF THE SUPPLY AND DELIVERY OF CONDUCTORS

In accordance with Section 4.3.2 of Annex "B" of the NEA Memorandum No. 2025-03, this Supplemental Bid Bulletin is hereby issued to clarify, modify or amend the following items for PB-ITB-R12-3-2026:

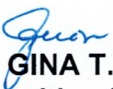

Section/Item No.	Issue in the Bidding Documents / Technical Specifications	Clarification / Amendment
Section III. Schedule of Requirements		
Schedule of Requirements (Buffer Stock Level Provision)	The Buffer Stock Level Provision in the Schedule of Requirements (as presently worded) refers to "Steel Poles" rather than "Conductors", to wit: <i>"Buffer Stock Level – Shall be equivalent to Thirty-Five Percent (35%) of the specific <u>Steel Pole's</u> Quarterly EM Stock Level."</i>	It is clarified that the reference of the Buffer Stock Level provision to "Steel Poles" is a mere clerical error and the same should properly refer to "conductors" For the purpose of clarity, the relevant Buffer Stock Level Provision under the Schedule of Requirements is <u>amended</u> as follows: <i>"Buffer Stock Level – Shall be equivalent to Thirty-Five Percent (35%) of the specific <u>Conductor's</u> Quarterly EM Stock Level."</i> Please see the revised Schedule of Requirements attached herein as Annex A.
Section IV. Terms of Reference		
TOR 9.5 (Initial Availability of Quarterly EM Stock Level in the Supplier's Warehouse)	TOR 9.5 makes reference to "Steel Poles" rather than "Conductors", to wit <i>"9.5 For all quarters of 2027 and 2028, the Quarterly EM Stock Level of each <u>Steel Pole</u> subject of this Bidding shall be Twelve and a Half Percent (12.5%) of their respective total forecasted volume (inclusive of Buffer Stock)."</i>	It is clarified that the reference of TOR 9.5 to "Steel Poles" is a mere clerical error and the same should properly refer to "conductors." For the purpose of clarity, TOR 9.5 is <u>amended</u> as follows: <i>"9.5 For all quarters of 2027 and 2028, the Quarterly EM Stock Level of each <u>Conductor</u> subject of this Bidding shall be Twelve and a Half Percent (12.5%) of their respective total forecasted volume (inclusive of Buffer Stock)."</i>

Section VII. Bid Forms		
Bid Form No. 5 (Statement of the Bidder's SLCC – Certification of Non- Applicability)	The Certification of Non-Applicability for Bid Form No. 5 refers to the "2026-2027" Conductor Requirements of the Member ECs of Region 12, to wit: <i>"This Certification is being issued in connection with the Procurement for the Supply and Delivery of the Region 12 RPH 2026 and 2027 Conductor Requirements (PB-ITB-R12-3-2026)."</i>	It is clarified that the reference of the relevant Certificate of Non-Applicability to "2026-2027" is a mere clerical error and the same should properly refer to the "2027-2028" Conductor Requirements of the Member ECs of Region 12. For the purpose of clarity, Statement 1 of the Certification of Non-Applicability for Bid Form No. 5 is <u>amended</u> as follows: <i>"This Certification is being issued in connection with the Procurement for the Supply and Delivery of the Region 12 RPH 2027 and 2028 Conductor Requirements (PB-ITB-R12-3-2026)."</i> Please see the revised Certification of Non-Applicability for Bid Form No. 5 attached herein as Annex B.

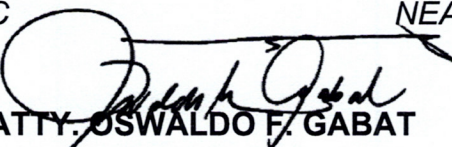

Issued this 1st day of October 2026 for the guidance and information of all concerned.
